

Do your shopping online and help HVCS

Many of us shop online. Now there's a way to help Huron Valley Catholic School while you shop online. Here's how HVCS can earn a commission for your online purchases at no cost to you!

STEP 1: Go to www.bign.com/hvcs

STEP 2: Click on the red Big N Marketplace link.

STEP 3: Scroll to the store you are interested in, and click that link. You will be taken to the *same home page had you gone there directly*, except the school code will be attached to your purchase. You'll pay the same amount, but HVCS will earn a commission!

Some stores offer free shipping or in-store pick-up, saving you postage!

HVCS commissions range from 1-30%, or a specific amount, and are shown next to the store name. Commissions are distributed 90-120 days after your purchase. **Only purchases made from the sites through the links in the Big N Marketplace will earn commission for HVCS.** Commissions cannot be tracked for individual fund raising credit, but any income we can bring into the school will help close that funding gap.

Use SCRIP at Big N. Many Big N stores now accept scrip for payment. You get fundraising credit for the scrip and HVCS gets a commission on your purchases. See the call-out box below for more details.

The cost to you is the same if you go through www.bign.com/hvcs or directly to the individual sites. We are only asking that you and everyone you know help HVCS raise funds on shopping you're already doing and on things you are already buying. Thanks for your help.
